Project 6-11 - Office of Personnel [REDACTED]

25X1A9a

Comments have been received from the Contract Personnel Division regarding their preliminary records control schedule. The main issue, concerning the Contract Personnel Folder Files, is whether or not to make these a part of the Official Personnel Folder upon conversion of the individual to a staff employee status. Project is 43% complete.

Project 6-26 - Medical Staff [REDACTED]

25X1A9a

The review and audit of the Records Management Program which is continuing, has thus far revealed that several areas of the Medical Staff are attempting to abide by the records control schedule previously approved for Medical Staff. However, due to a great personnel turnover and the other interests of the ARO no great progress has been made. Project is 25% complete.

Project 6-27 Operations Coordinating Board [REDACTED]

25X1A9a

A records inventory was conducted for the Board and a records control schedule prepared and approved. One cu. ft. of inactive records was retired to the Records Center as a result of the survey. Project is complete.
